

Dear Tigor Sitorus

We are pleased to inform you that you have been accepted for the 3-month Cornea and Anterior segment observership program from July 1st, 2025, to September 30th, 2025.

This program includes clinical rotations in the subspecialty, allowing you to observe clinic patients and assist in a few surgeries in the operating room.

Here are the course fee details:

- Course Fee: USD 3000
- Shared Accommodation at the international guest house: USD 2050 (attached is guest house details)
- NMC Registration Process: USD 400
- FRRO Registration (if required for visa stamping): USD 300 (otherwise, not required)
- Food: Charged as per actuals (payable on-site) + GST on the above

To complete the NMC registration, please share the following scanned documents (PDF format) within one week.

1. MS or MD Certificate (self-attested signature)
2. Medical Registration from your country (self-attested signature)
3. Passport (self-attested signature)
4. Sponsorship Letter ( with planned dates of observership program)
5. High-resolution Photograph (JPEG format)
6. Health Insurance Certificate (covering the duration of your stay)

Once we receive all the relevant documents the NMC link will be shared. The final NMC registration must be completed by the end of this month.

Please feel free to write to me for any further queries.
