Policy Schedule is only a summary of key information of the insured subject matter and major terms and conditions of the insurance policy, so you must read the entire contract carefully to fully understand the coverages. Policy Schedule, extension clauses/endorsements/special warranties/subjectivity and main policy wording etc. all form an integral part of the whole insurance policy; When it involves complex policy coverage interpretations, the priority sequence to construe and interpret each part of the insurance policy is extension clauses/endorsements/special warranties/subjectivity prevail the main policy wording, and main policy wording prevails the Policy Schedule.
